MUSIC LESSON POLICY

*Lessons at Rousseau's Music are 30 minutes in length, available most hours.

****The lesson cost is \$105.00 per month***, which takes into account holiday months which have fewer lessons during the month, and 5 week months which have more lessons per month, averaging to 4 per month. No lessons will be given on the following holidays: Christmas Eve Day, Christmas Day, New Year's Day, Memorial Day, July 4th, Labor Day and Thanksgiving Day.

*Lessons are available all year with the student's commitment being on a monthly basis. However, because a longer commitment to lessons better establishes the student with the function of his/her instrument and basic music concepts, after the first few months of lessons, ***Rousseau's Music does offer lessons at \$95.00 per month for those signing up for a full 9 month commitment. We also offer a family rate. Contact us for details.***

* We ask that all lessons be paid for in advance by the month (due on the last lesson of the previous month). The tuition payment covers the rental of the studio and the instructor's time. The cost for instructional materials is in addition to this fee.

*Cancellations: When the schedule allows we will do our best to reschedule a missed lesson. Due to the number of students that we teach we are not able to always schedule make-up lessons and we are not able to refund for missed lessons. A 24 hr notice must be given if a lesson time must be cancelled and considered for a make-up lesson. Please do everything possible to follow through on your commitment to your child or yourself, and to the instructors at Rousseau's Music. If the instructor must cancel a lesson, the lesson will be made up and every effort will be made to reschedule the lesson as soon as possible. Please understand that our policy is structured to allow for consistency with the student and instructor. Rousseau's Music has committed to pay each instructor each week even if the lesson is cancelled. In the case of severe weather conditions, students will be contacted by Rousseau's Music.

* It is the responsibility of the student to be at each week's lesson at the designated time.

*Students arriving for a lesson should sign in at the front desk to verify attendance

*Parents are welcome to sit in on any lesson. Any questions on the student's progress are welcomed and encouraged.
